

Dear Parent(s):

I am excited about the possibility of your child coming to camp with us this July! It is my prayer that this week of camp will radically influence and change your child's life for years to come. There is no better investment you could make in your child's life this summer than to send him or her to camp.

This year we will be returning to CampKidjam in Winston-Salem, NC. This camp is hosted by Orange, the very same team that builds the curriculum and lessons we use each and every week in UPTOWN. The messages and music will lead your child into a deeper relationship with God as we continue to learn to trust Him and know Him, and as we grow together as a community.

The theme this year is "TURN IT UP – CRANK UP THE POWER OF GOD IN YOUR LIFE". Out of all the stories in the world, only one is timeless. It's the story of our big God who stops at nothing to have a relationship with us! This summer we'll take a journey through God's story and see how people in the Bible cranked up the power of God in their lives. We'll also see how we can do the same in our own lives.

This packet will guide you through step by step what you need to join us for CampKidjam 2012. Please keep this packet until camp arrives as additional information will be sent your way as we draw closer to July. If you have any questions, please feel free to email me.

Your first step is letting us know your child plans to join us for camp! Simply fill out the Registration Form (in this packet or online) and return to the Journey Kids Info Desk. From there, you'll receive email updates and phone calls to remind you about what's next!

I look forward to July and the amazing journey that lies ahead.
